ASU 2018-14 is effecte for the Company for annual and interim reporting the impact ASU 2018-14 will have idencess lideated at the memory of the terms and the impact ASU 2018-14 is effected for the Company for annual at the terms and the effect.

NOTE 2. REVENUES

On July 1, 2018, the Company adopted ASC 606 on a modified pretriouse basis for all contracted in which were not completed as the adoption date. Results for reporting periods beginning after July 1, 2018 assepted under ASC 606 while primeriods have not been restard. Under ASC 606, revenue is recognized when or as the Campysatisfies its respective performance adoptions under eachortract. The Company ecorded a \$20 million decrease to Accumulated deficit cars July 1, 2018 to reflect the cumulate impact of its adoption of ASC 606.

When implementing ASC 606, the Coamp applied the praical expedient to reflect the aggreege effect of all contract modifitions occurring before the beginning of the earliest period presented when identisation and unsatisfied performance obligations, determining transaction price, and allocating the transaction price to the static and unsatisfied performance obligations.

The adoption of ASC 606 primarily resultied the following changes related toet for many servenue cognition policies:

€ Reclassification of centapayments to customers

For certain revenue streams within the Societies Societies, BooRublishing and News and Infoation Services segmentage Company previously recorded certain marketiand sales incentive payments to customatin Operating appenses and Sellingeneral and administrative experies. In accordance with ASS606, such payments are now recorded reduction of revenue. For the threaonths ended September 30, 2018/genues were \$28 million lowers a result of this reclassificanti, with no impact on the Company income.

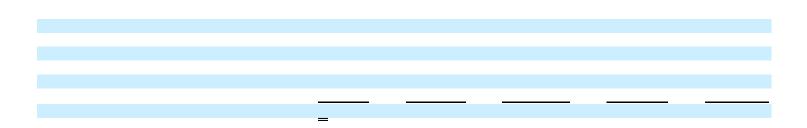

€ Deferred installation revenues in Subscription Video Services segment

Under ASC 606, each customer subscriptidd isoaccounted for as a distinct performance obligation. Inatlation services areot accounted for as a distinct performance gradulon and are instead included within thereall services beig provided. Therefore, installation revenues are deferred and recognized over the respective custometract term. Historically, installation revenues were \$6 noithin higher deferred and recognized over the instead customer life. For eththree months ended Septem 36e, 2018, revenues were \$6 noithin higher

The Company•s revenues for the three mission ded September 30, 2018 and the openaingnce sheet as of July 1, 2018 under MAGC 606 and the prior standard, ASC 605 are as follows:

ASC 605	Effects of (in mill		ASC 606

Billings to clients and paymenteceived in advance of performance of services or delivery products are recorded as deferrevenue until the services are performed or the product is de

Sales returns

Certain of the Company•s products, sucbassks and newspapers, are sold with the regimeturn. The Company records theirested impact of such returns as a reduction of revenue. To estimproduct sales that will beturned and the related products that are expectised placed back into inventory, the Company analyzes historicedurns, current economic trees, changes in customer derideand acceptance of theiropany•s products. Based on this information, the Company reserves a percentage of each dollarcodict sales that provide the customer withrighet of return. As a result of the adoption of ASC 606, the Compa reclassified itsales returns reserve from Accosumeceivable to Other currelimbilities.

Contract liabilities and assets

The Company•s deferred revenue balance piliymediates to amounts received from customs for subscription paid in advance for the services being provided. The following table presents object in the deferred reventibulance for the three months ded September 30, 2018:

	For the three mo <u>ended September</u> (in millions)	30, 2018
Balance as of July 1, 2018	\$	510
Deferral of revenue		595
Recognition of deferred reverlee		(670)
Other		1
Balance as of September 30, 2018	\$	436

(a) For the three months ended Septen 800 e 2018, the Company recognize pproximately \$357 million of evenue which was included in the opening deferrence balance.

Contract assets wereninaterial for disclosures of September 30, 2018.

Practical expedients and other revenue disclosures

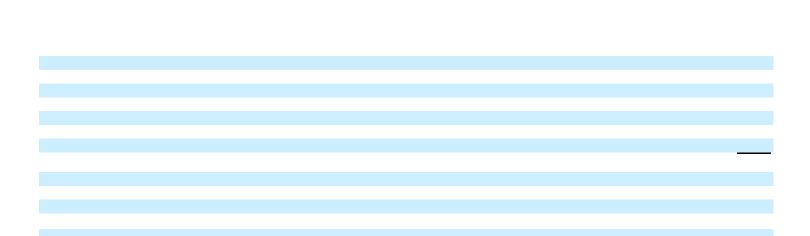

The Company typically expenses commissions incurred to obtain a customer cocttas those amounts are incurred as thertization period is twelve months or less. These costs are recorded within Sejlingral and administrative inet Statements of Operations. To empany also applies the practical expedient for signifiant financing components when the transfether food or service is paid within twelve membrin Sales [(ID .002.5(venuee)

NOTE 3. ACQUISITIONS, DISPOSALS AND OTHER TRANSACTIONS

New Foxtel

In April 2018, News Corp and Telstra combinted in respective 50% interests in Foxated News Corp-s 100% interest in FOX SFRS Australia into a new company. Following the completion of the Transaction, News ôf some a 65% interest in thoembined business, with Telatowning the remaining 35%. Consequently, the Company begansolidating Foxtel in the fourth quartof fiscal 2018. The combination allow Foxtel and FOX SPORTS Australia to leverage thmedia platforms and contentitoprove services for consumers d advertisers. The results forew Foxtel are reported within the Subscription Video Services gement (formerly the Cable Network gramming segment), and new Foxtel is side red a separate reporting unit for purposes of the Compensational goodwill impairment review.

The Transaction was accounted for in accordance with ASC 8005ineess CombinationsŽ (•ASC 8055Ž)ich requires the Company te-measure its

Nonrecurring Fair Value Measurements

In addition to assets and liabilities that are remeasured at

The changes included in the Tax Act are broad and complex SEfGeissued Staff Accounting Bulletin No. 118 (SAB 118), as a strate by ASU 2018-05, which provides guidance for companidated to the Tax Act. ASU 2018-05 allows for measurement period of up to one yefter the enactment date of the Tax Act to finalize the recircing of the related tax impacts. The Compres accounting for the tax effects of the XTAct will be completed during this measurement period dais expected to be finalized in the secquedrer of fiscal 2019 preling further SEC guidate. The final transition impacts of the Tax Act may differ from the Company•s curretintees, possibly materially, due, among other things, charsgie interpretations of the Tax Act, any legislative action to adds questions that arise because of the Atte, any changes inaccounting standarder income taxes or related interpretations in respents the Tax Act, or any updates or changeestimates the Company suilized to calculatthe transition impacts.

In accordance with SAB 118, the Company made reasonable estimes related to (1) the remeasurent of U.S. deferred tax basices for the reduction in the tax rate, (2) the liability for the transition at (3) the partial valuation and erecorded against federal NOL carryforward due to the impact of the GILTI and BEAT prissions. As a result, the Company recognized a net provision accore tax expense of \$23 million associated with these items in the scal year ended use 30, 2018. For the three months endered base of 30, 2018, the ompany has not made any adjustments to the provisional amounts recorded as of June 30, 2018.

Management assesses available evidence to determine whether stuffiture taxable income whether generated to permit the use fexisting deferred tax assets. Based on management seesessment of available evidence, it has been determined that it is more likely than contained terred tax assets in U.S. Federal, Stated foreign jurisdictions may note realized and therefore, alwation allowance has been estimated against those tax assets.

For the three months ended Suppler 30, 2017, the Company recorded a taxgehair \$54 million on pre-tax income of \$141 nuili, resulting in an effective tax rate that was higher than the the S. statutory tax rate. The higher take was primarily due to valuation allowares being recorded against tax benefits in certain foreign risedictions with operating losses.

The Company•s tax returns are subject to on-going review and mexicon by various tax authoritie Tax authorities may not mage with the treatment of items reported in our tax returns, and therefore the outoof tax reviews and examinationan be unpredictable. The Compass currently undergoing tax examinations by the term Revenue Service (HEZ), various U.S. state and fign jurisdictions. During they are ended June 30, 2018, the IRS commenced an audit of the Company for the year ended 30, 2014. The Company believides as appropriately accrued outcome of uncertain tax matters and bedies such liabilities represent a reason products of taxes ultimately expected be paid. However, the Company may need to accrue inducted in come tax expense and diability may need to be adjuest as new information becomes of work and as these tax examinations continue to progress spectclements ditigations occur. The Company indegross income taxes of \$29 millin and \$48 million during the three months ended Septen 300, 2017 and received tax refund\$10 million and rig respectively.

Dow Jones

Revenues were \$362 million for there months ended Septiber 30, 2018, an increase of \$12 ioni, or 3%, as compared to revues of \$350 million in the corresponding period of fisc2018. Circulation and subsistion revenues increas \$45 million, pimarily due to the \$13 million impact from digital subscriber growth and guital subscription price increases Tate Wall Street Journa Advertising revenues were lateively flat. The impact of foreign currency fluctuations of the \$1.dollar against local curreles resulted in a revendecrease of \$1 million fohe three months ended September 30, 2018 as compared to other sponding period of fiscal 2018.

News Corp Australia

Revenues at the Australianewspapers were \$309 million foreththree months end&beptember 30, 2018, actease of \$23 millio, or 7%, compared to revenues of \$332 million in the corresponding period of fiscal 2017 the impact of foreign curnery fluctuations of the U.Stollar against local currencies resulted in a revender crease of \$25 million, or 8%, for the three months ended September 3200,18 as compared thet corresponding period of fiscal 2017 the three months ended September 3200,18 as compared thet corresponding period of fiscal 2018. Advertising revenues decreased \$21 milliprimarily due to the \$15 million mpact of weakness in the inpt advertising market and the \$14 million negative mpact of foreign currency fluctuations, partially offet by the \$7 million increase due to digital vertising growth. Circulation and subscription venues were relatively flat.

News UK

Revenues were \$286 million for the three nhsneholed September 30, 2046, increase of \$31 million, or 12%, as compared to mees of \$255 million in the corresponding period of fisc2018. The increase was due to the net impathe benefit related to the exfittbe partnership foSun Bets of \$48 million. Adventising revenues decreased \$71 million, primarily due to the weakness time print advertising market. Cirkation and subscription revenues decreased \$51 million, primarily due to singlecopy volume declies, mainly at the Sunpartially offset by the impact fover price increases across mastheads. The impact of foreigneous fluctuations of the IS. dollar against local currencies resulted in a revelence ase of \$1 million for the three months ended Been 30, 2018 as compared to dorresponding period of fiscal 2018.

News America Marketing

Revenues at News America Matiling were \$221 million for the theemonths ended September 30, 20an 8 percease of \$13 million r6%, as compared to revenues of \$234 million ine thorresponding period of fiscal 2018. Therefore was primarily related to \$18 initial of lower home delivered revenues, which inclutre e-standing insert products any due to lower volume.

.

For the three months ended Suppler 30, 2018, Segment EBITDAthe Book Publishing segment incased \$20 million, or 42%, as mpared to the corresponding period of fiscal 2018. The instead segment include to the higher revues discussed above and the mix ofstitle

D respectively) (12% and 13% of the Companyes consolidated reveinutes three months end September 30, 2018 and 2017,

Historically News Corp accounted for its investmentFoxtel under the equity method of accounting. As a result the Transaction, Foxtel becan majorityowned subsidiary of the Company, and therefore, the impactodelFon the Company•s historicaduluty losses of affiliates wa

Revenues decreased \$69 million, or 3%,rfthe three months end& ptember 30, 2018, as compared to the corresponding period of fiscal 2018. The Revendecrease was attributableat \$115 million decrease in the scription Video Services segnet primarily resulting from lower subscription revenues due to subsect mix, lower advertising revenues and the \$45 million gative impact of forgin currency fluctuations. The revenue crease was partially offset by the revenues of \$22 million at the Digital Real state Services egment, mainly due to increased revenues at both REA Group and Mande \$17 million at the Book Publishing seent as a result of higher sales printy in the general books category, partially offsety the impact of the adoption of the new revene constitution standard. The impact of foreigurency fluctuations of the U.S. dollar against local currencies tessulin a revenue decrease \$90 million for the thre months ended September 20,18, as compared to the corresponding period of fiscal 2018.

",Operating expenses decreas \$101 million, or 7%, for the three montheaded September 30, 2018, as compared to the corresponding period of fiscal 2018. The decrease in Opperatipenses for the three montheaded September 30, 2018 was infly due to lower operating expenses at the Subscription devision segment of \$776 lion primarily resulting from lower non-sports programing and pay-per-view costs and the \$26 million impact of foreignarrency fluctuations. The decrease wass adriven by lower operating expenses thet News and Information Services segment of \$23 million the three months ended September 2008. The impact of foreign currency fluctuations of the U.S. dollar against local currencies resulted in Operating expense decrease of \$4120 million the three months ended September 20018, as compared to the corresponding period of fiscal 2018.

"Selling, general and administrative expenses increased \$49 million, or 6%, for the three months ended September 30, 2018, as comparised corresponding period of fiscal 2018 increase in Sing, general and doministrative expenses was primarily due to the absence of the \$460 nimpact from the reversal of a poort of the previous/accrued liability for the U.K. Newspaper Matters and the correspondingceivable from 21st Century Fox as the resultant foreign currency fluctuations of the U.S. dollar aginst local currencies resulted in a Selling, generated administrative expense decase of \$29 million for the three on the sequence of the corresponding period of fiscal 2018.

Depreciation and amortization repense decreased \$3 million, or 21% or the three months ended September 30, 2018, as compared to threesponding period of fiscal 2018. The impactoreign currency fluctuations of the S. dollar against local currencies resulted in a depretion and amortization expense decrease of \$6 million for the the months ended September 20018, as compared to the corresponding period of fiscal 2018.

"During the three monthsended September 30, 2018 and 2017, the Company recorded restructuring charges of \$18 milli primarily related to employ dermination benefits in the Nuss and Information Services graent.

(a))"Equity losses of affiliates werehigher by \$1 million for the three on the ended September 30, 2018 as compared to the corresponding period of fiscal 2018.

"Interest (expense) incomenet was (\$16) million as compared (\$66) million in the corresponding period of fiscal 2018 primarily due to lower intesteexpense from the repayment the Foxtel shareholder note in the first quarterise al 2018.

Other, net increased \$12 million for tthere months ended Septem B0, 2018, as compared to the corresponding period of fiscal 2018, primarily due to the remeasurement of equity sectimes in accordance with the adoption of ASU 2016-01.

The Company•s income tax expensend effective tax rate for therefie months ended September 30, 2018 were \$50 million and 28%, respectively, as compared to an income tax expensed effective tax rate \$57 million and 33%, resectively, for the corresponding period of fiscal 2018.

For the three months ended Steppber 30, 2018, the Company recorded a taxnescepe \$50 million on pre-tax income of \$178 initial resulting in an effective tax rate that was higher than the statutory tax rate. The higher take was primarily due to valuation allow are being recorded against tax benefits in certain foreign jurisdicits with operating losses at the impact from foreign operations which are subject to gher tax rates.

For the three months ended Stepber 30, 2017, the Company recorded a taxrescept \$57 million on pre-tax income of \$171 ioith resulting in an effective tax rate that was higher than Ut.S. statutory tax rate. The higher take was primarily due to valuation allow are being recorded against tax benefits in certain foreign jedictions with operating losses.

Net income increased \$14 million for theethe months ended Sitember 30, 2018 as compated the corresponding period of fiscal 2018, primarily due to for Interest expense and hig/Orther, net, partial/loffset by lower Total Segment EBITDA.

₩ "Net income attributableto noncontrolling interests decased by \$6 million for the three months ended September 20018 as compared to the corresponding periofiscal 2018, primarily due lower performance at new Foxtel, partially offset by increaseperformance at REA Group.

Free cash flow available to News Corpionatis a non-GAAP financiarheasure defined as net capsorbvided by operating activitis, less capital expenditures (•free cash flow Žess REA Group free cash flow, usi cash dividends received find REA Group. Free cash flow algoble to News Corporation should be considered in addition, not as a substitute for, cash flowing operations and other measures of final performance reported in accordance with GAAP. Free cash flow available to News Noter portation may not be compable to similarly titled meases reported by other companies, since companies and effects as to white the should be included in the calculation of free cash flow.

The Company considers free cash flow available to News Componentation provide useful information management and investors babthe amount of cash that is available to be used to strengthen the Company beats batterest and for strategic option titles including, among bers, investing in the Company business, strategic quisitions, dividend payouts an expurchasing stock. The Compabelieves excluding REA Group fraze cash flow and including dividends received from REA Group vides users of its consolidated finitian statements with measure of themaount of cash flow that is readily available to the Company, as REA Group is a separately listed in provides free cash vidend in order for the Company to have access to its share of REA Group is cash ballance company believes free cash videnailable to News Corporate provides a more conservative view of the Company sefters flow because this presentation uses only that amount of cash the Company fraze to set flow.

A limitation of free cash flow available to Wes Corporation is that it does not repenets the total increase or decrease endash balance for the period. Management compensates for the itation of free cash flow available to News Corporation by alsolying on the net change in the cash and cash equivalents as presented in the team of Cash Flows prepared in accordance with GAAP which incorporate all cash most entring the period.

The following table presentsraconciliation of net cash proved by (used in) operating activisite free cash flow available News Corporation:

	F	For the three months ended September 30,		
	2018		2017	
		(in millions)		
Net cash provided by (used) imperating activities	\$	113	\$ (4	.)
Less: Capital expenditures		(133)	(62)	
		(20)	(66)	
Less: REA Group free cash flow		(38)	(27)	
Plus: Cash dividends re ived from REA Group		37	33	
Free cash flow available to News Corporation	\$	(21)	\$ ((60)

Free cash flow available to News Corporation improved by \$300 min the three months end Sole ptember 30, 2018 to (\$21) right from (\$60) million in the corresponding period of fisc2018, primarily due to higher cash protect by operating activities as discussed bove, partially offset by higher capital expenditures.

Borrowings

As of September 30, 2018, the Company total borrowings of \$1.9 billion, includining current portion. The Company•s borrowings as of such date reflect \$1.55 billion of outstandig debt incurred by certain subiaides of new Foxtel (togethevith new Foxtel, the •FoxteBroupŽ) that the Company consolidated upon completion of the TransactiThe Foxtel Group debt includes U.Svate placement senior unsecured notes drawn amounts under its revolving credit faities, with maturities ranging from 2019 to 2024. Approxitely \$447 million and \$541 million ggregate principal amount outstanding will mature drug fiscal 2019 and 2020, respectively, and then from yexpects to fund these debt repaymentes arily with new borrowings. The Foxtel Group•s borrowinge gruaranteed by certain members of the effortioup. In accordance with ASC 805este debt instruments were recorded at fair value of the Transaction date. During thetfigns arter of fiscal 2019, the Foxtel Group architegraphrepayments of \$190 million and borrowings of \$131 million det its working capital facility.

The Company•s borrowings as of Septem300er2018 also reflect the inbleedness of REA Group. The second tranche of its A\$4860 munsecured revolving loan facility of apprximately \$86 million (A\$120 inflion) will mature in December 2018, and the Company expects RECAroup to fund this debt repayment primary liwith cash on hand.

The Company has additional borrowing capacinder its unsecured \$650 million revolvingedit facility (the FacilityŽ), which can be increased up to a maximum amount of \$900 million thate Company request. The lenders commitments ake the Facility available terminate Ontober 23, 2020, provided the Company may request that the million the extended under tain circumstances for the two additional one-yeareriods. As of the date of this filing, the Company hast theorem any funds under the Facility. addition, the Company s 251 million of under work commitments under Foxtel Group s rewing creditfacilities.

The Company•s borrowings contains custom epresentations, covents, and events of default. FlCompany was in compliance the all such covenants at September 30, 2018.
